Pulizia / Cleaning

Pulizia ordinaria: va eseguita con un panno in microfibra e normali detergenti senza contenuto alcalino. Non usare prodotti aggressivi come ad esempio anti-calcare, acidi, abrasivi, sgrassanti, alcool.

Le parti metalliche, con il passare del tempo, possono presentare una naturale ossidazione. In questo caso pulire con un panno morbido e detergente lucidante apposito (es. Sidol).

Pulizia straordinaria (anche metallo): fare riferimento alle schede pulizia e manutenzione.

Ordinary cleaning: should be done with a microfibre cloth and neutral, alcohol free cleaning products. Do not use aggressive products such as anti-lime, acids, abrasives, degreasers.

Metal parts, with the passage of time, may show natural oxidation. In this case, clean with appropriate polishing detergent (e.g., Sidol).

Extra-ordinary cleaning: Please refer to the cleaning and maintenance sheets.
